02 April 2020

Dear Parents

We at PPS are thinking of you all during these challenging and uncertain times.

School was scheduled to start on the 6th of April, but was postponed to 14th April as per the directives from the President due to the Covid-19 virus. Since then lockdown was implemented and school starting times were extended to Friday 17/Monday 20th April. You will be notified should any changes happen in this regard.

In place at PPS to date:

Some teachers prepared study packs for 2 weeks which were sent home. Others were to be collected by parents on the 6th, but this is no longer an option due to the lockdown.

The GDE has provided material that the teachers will send home to the parents. The teachers will also provide guidance with regards to work packs, apps and links. Teachers will be in contact with parents next week via email.

Mrs Murray, Mrs Gair and Miss Thompson are in contact with their phases and are monitoring the situation and requirements that need to be addressed at this stage. We are working on a plan should this lockdown continue.

We look forward to seeing everyone back at school in the near future. In the meantime, please stay safe and healthy.

Warm regards

Sherrill Wagenaar
Principal
