Dear Parents and Guardians

We have just received correspondence from ISASA regarding the returning of learners on Monday, 01 June 2020.

We have been informed that at this stage only Grade 7 and 12 learners may return to school on Monday.

ISASA is in a meeting at this stage with Unions and the Department of Basic Education, but it doesn't look as if anything will change. This is a government decision and we have no control over this.

Pretoria Preparatory School will continue to stay prepared and continue to implement regulations to accommodate any changes that can happen, even at short notice.

We realize that some of our learners are going to be very disappointed. Please keep our learners positive and motivated during these very challenging times. Rest assured we will continue to address all issues in their best interest.

We will continue as usual with our home programmes. HODs and teachers will communicate with you next week. All staff members will be at school.

We acknowledge your frustration but trust that you will understand.

Yours faithfully

Sherrill Wagenaar
Principal
