Dear Parents and Guardians

UPDATE

We would like to take this opportunity to keep you updated with regards to what is happening at school at present and to again appeal to you all to stay safe and warm.

On the deviation process: PPS is still awaiting approval from the DBE to bring in grades additional to our grade 7s. We have submitted our applications on time and as requested (to date three applications have been submitted to the various offices requested) NAISA is in the process of following up on our application. We are ready and waiting to welcome our learners back to their classrooms.

Our grade 7s have settled in well and the school receives a daily visit from the police who check our registers regarding numbers and follow up on absenteeism. Please be aware that should your child be absent from school the police do request your personal details and we have to provide them with this.

Next week Monday, 15 June 2020, school will continue as normal even though Tuesday is a public holiday. We have received a tentative calendar from the GDE but until it is gazetted we will not be distributing this as it is subject to change.

We are waiting in anticipation for our approval from the DBE. We will keep you updated.

Yours faithfully

Sherrill Wagenaar
Principal
