Dear Parents and Guardians

### COVID-19

One of our learners has tested positive for Covid-19. Correct processes and protocols were followed and all the relevant departments have been contacted. The departments have reported that they are satisfied with all the procedures and reports and that it will not be necessary to close any classes. The individual learners who need to isolate as a cautionary measure have been contacted by the NICD and the Department of Health. To those learners who are affected by the procedure, our thoughts and good wishes go out to you. We look forward to seeing you safely back at school.

Just a reminder to all our learners and parents, please stay at home if you are not feeling well. Please visit your doctor if you have any of the following Covid-19 symptoms:

- Body aches/muscle pain
- Loss of smell/taste
- Nausea/Vomiting
- Headaches
- Diarrhoea
- Fatigue, weakness or tiredness
- Cough/shortness of breath

Should your family be in isolation/quarantine, please do not send your child to school until the required time has elapsed.

Please adhere to Level 3 lockdown regulations regarding socializing.

Thank you for helping us in the fight against the virus.

Yours faithfully

Principal  
Pretoria Preparatory School
