Good Afternoon Parents

Traditionally we would have started our school year with a Grade 0-1 Welcome Party before any of the other children arrived. This, however, was extremely difficult to arrange last year, with the unknowns of Covid. We do feel that the younger children need an opportunity to get to know their teacher and us get to know them. We are inviting them to join us from 08:00-10:00 on Wednesday, Thursday and Friday of this week. Each day we will complete activities in class and provide something for them to take home. The children will be able to arrive at school from 7:45 and will be met at the gate to be screened and signed in. We will have the children out to be collected at 10:00, please be prompt in collecting them.

Please pack a small snack and something to drink to send with them.

Online teaching for Grade 0 and 1 will then commence on Monday 25 January. On Friday we will have their work packs and required activity books ready for them to take home for the following weeks lessons.

Nayna and I look forward to welcoming the children to school for these 3 mornings.

Warm Regards
Kirsten Thompson
