Dear Parents and Guardians

A Reminder to Parents

We trust all our PPS family members are managing to stay as safe and healthy as they can. To our PPS family members who have lost loved ones and who are facing uncertainties with family members in hospital or ill at home, our thoughts are with you. We do realize that everyone is under a lot of pressure and that everyone is feeling 'Covid weary', but we need to make sure that we follow the protocols strictly so as to keep PPS a safe place for our learners and their families.

We continue with all the strict protocols in place:

- Learners to wear their masks to school and throughout the school day;
- Parents to wear their masks when dropping off or collecting their children;
- Social distancing to be adhered to;
- Sanitizing protocol to be followed at the start and end of school (and throughout the day), in all venues and on the playgrounds;
- Temperatures to be taken at entrance to school;
- Registers to be completed;
- Please do not send your child to school if they are not feeling well;
- Please do not send your child to school if they have been exposed to someone who has tested positive for Covid- please follow the correct procedures;
- Breaks and PE will continue under strict supervision;
- Only learners and staff will be permitted on the premises. Meetings will continue to be conducted telephonically or online.
- No Extramurals will take place until we are able to meet all the requirements for all the activities.
- No assemblies.

Thank you for all the support we receive on a daily basis.

We are all in this together.

Yours faithfully

Mrs. Sherrill Wagenaar
Principal
